Bus Stop Arrival Instructions

Dear Student,

Thank you for requesting a pick-up from the Notre Dame Bus Stop. When you arrive on campus, the Notre Dame Security Police may be able to transport you to an on-campus destination. To receive transportation to your new home, please follow the instructions below.

The Notre Dame Bus Stop is located across the street from the Security Main Gate House, where you can ask for a ride to your on-campus destination. When you arrive at the bus stop, walk across the street to the Security Main Gate House, and ask the Gate House staff member to call a Notre Dame Security Police Officer to drive you and your luggage to your destination. Please note that if there is an emergency on campus, there may be a short wait for this service.

We wish you safe travels and look forward to meeting you!

Best,

ISSA Staff
