A WEEKLY NEWSLETTER FOR VISITING INTERNATIONAL STUDENTS

LISA'S CORNER

What is the Notre Dame Challenge?

The ND Challenge is a program we developed to encourage all of you to fully immerse yourselves in the ND community and to experience everything Notre Dame has to offer. Complete at least 10 of the suggested events and activities during your semester here and you will be awarded a prize at the end of the semester during our Farewell Dinner.

To qualify for the NDChallenge Award, you will need to submit verifications of your participation in the event, i.e. photographs, tickets to the event, etc. Instructions on how to submit the verifications will be sent to you soon.

To help you succeed in receiving this award, I will include my personal tip (NDChallenge suggestion) on events that are listed in this newsletter and qualify for the challenge. However, you are free to be creative and I encourage you to also seek out your own events or activities!

Here is the [link](#) to the NDChallenge and our activities for the semester.
