

## LISA'S CORNER

Hello, Students,

Welcome to Notre Dame from all of us at Notre Dame International!

We are glad to have you here. You and 36 other students from all around the world will be part of our Spring 2018 cohort of visiting students.

Some of you already know me from Fall 2017. For those of you who are new to ND, my name is Lisa Shroyer and I will be your advisor throughout your time at ND. Please

do not hesitate to reach out to me with any questions or concerns you might have.

I want to start our Spring 2018 semester with some exciting and important announcements and the launch of our new visiting international student newsletter!

To make it easier for you to filter through all the information that you will be getting, we have developed this e-Newsletter. Here you will find important updates, resources, and recommended activities. Make sure you read each weekly edition carefully to catch the important happenings on campus!
