PROGRAM INFORMATION

Our exchange programs are credit-bearing programs that allow international students from our partner universities to take 12-18 credits during a semester spent abroad at the University of Notre Dame. Students also have the option of spending a full academic year at Notre Dame. Students take classes offered by the Colleges of Arts & Letters, Science, Engineering, and School of Architecture. They will be given an official Notre Dame transcript upon the completion of the program. Students will be able to select their courses after they are admitted to the program. Please note that registration for some courses, however, will depend upon the availability of spots and commitment from the department.

HOUSING INFORMATION

Due to a shortage of on-campus accommodation at ND, exchange and visiting international students are not guaranteed on-campus housing. Thus, some students will need to secure their own off-campus housing. Students who wish to live on campus will need to fill out a housing application and will be entered in a lottery. To search for off-campus housing, students are encouraged to use the off campus housing website offcampus.nd.edu. Students living off campus are able to sign up for a ND meal plan and participate in dorm activities despite not living on campus.

VISA AND MEDICAL REQUIREMENTS

All exchange students are required to obtain a J-1 student visa. Upon acceptance into the program, our office will issue a DS-2019 form, with which participants can apply for the J-1 visa at the nearest US Embassy or Consulate.

Before registration, students must submit a "Completed History and Physical Form" to the [Health Center](#). Students are required to enroll in the University's [health insurance plan](#).

Required Vaccinations by the State of Indiana for college students can be found on the [University of Notre Dame Immunization Form](#).
