The first UKRI/NSF collaborative grant Program for FY20 was announced on October 31, 2019. It is entitled The NSF Engineering – UKRI Engineering and Physical Sciences Research Council Lead Agency Opportunity (ENG-EPSRC). Details of this announcement can be found at [UKRI/NSF Program announcements](#), related to the other MOUs, will follow throughout the current fiscal year.

Notre Dame has also learned that even though there is no formal solicitation from the NSF Mathematics Directorate requesting proposals for the NSF/UKRI program, they are now accepting proposals, and will continue to accept them for the remainder of the fiscal year.
